MILKandLEAD Art Gallery

Charity Trustee

MILKandLEAD Art Gallery is a Charity Registered in England N° 1167857

MILKandLEAD Art Gallery operates throughout London. The charity is deeply committed to ensuring art is enjoyed by a broad spectrum of people. Our objectives are the advancement of education in the arts, and the promotion of artistic and cultural events for the benefit of the public.

Along with other trustees, you will contribute to the overall management of the charity.

The ideal candidate would be someone who works in the arts or has experience of arts funding, knows how charities operate and have some knowledge of art gallery challenges although much of this can be gained by involvement in the charity.

The board of trustees meet quarterly, about every three months. Trustees have to attend four meetings a year.

Trustees do not get directly involved in the day-to-day operation of the organisation. They are responsible for ensuring that the charity carries out its purpose, in accordance with the law. This includes the long-term planning of what the charity will do, how it will do it, and ensuring that the appropriate resources are available to carry out those plans.

Trustees have a responsibility to ensure, regularly that funds are being used appropriately. They are also ensuring that the right support is available to staff, volunteers and beneficiaries.

If you have experience and knowledge to share, a genuine interest in the art sector, and some free time on your hands, this position is the right fit for you.

What do you get

- Training
- Highly recognition in art and culture development
- Free entrance to all events
- Campaign first-hand pioneering art
